Transglobe Consultancy Services Inc. is a Toronto, Canada based Canadian Immigration Consultancy firm. We provide services for various Canadian immigration matters including Temporary and Permanent residency visas.

Our mission is to provide creative, efficient and economical immigration solutions. We serve foreign nationals worldwide for their permanent and temporary residency visas of Canada. We also assist canadian businesses to hire foreign workers. We do represent permanent residents of Canada for their immigration needs including sponsorship and residency appeals.

We look forward to help you with your Canadian immigration process or for any other related matters. We understand that moving to the new country requires great deal of knowledge about immigration rules and procedures as well as to know about culture, environment and employment prospects. We provide practical solutions to the given situation within the frame of the Canadian Immigration rules and regulations. Our consultants also assist immigrants with issues related to settlement in Canada and provide guidance related to housing, employment and all other settlement related matters including establishment of business.

Mr. Vasimakhtar Shaikh, Director of the company is a Regulated Canadian Immigration Consultant and a Member of the ICCRC(Immigration Consultant of Canada Regulatory Council)(Membership ID#R418903)
